# Set yourself up for success, join AHRA today!

Whether you're a seasoned medical imaging leader or an aspiring manager, **AHRA** will help you create a **path to success**.

Learn more about our comprehensive and relevant educational resources, opportunities to create and build relationships, and the coveted Certified Radiology Administrator (CRA) credential.

“AHRA's membership has helped Tallahassee Memorial Healthcare Imaging Services reach the next level of excellence in technological advances, fiscal planning, maximizing current reimbursement requirements and most of all-succession planning through education of new imaging leaders.”

Cindy Winter, CRA, FAHRA

“On more than one occasion I have been in an organizational leadership meeting and we have needed to know how other facilities handled a similar situation to the one we are facing. I have posted my question to the Forum and within minutes received responses from 10 different facilities.”

Bill Algee, CRA, FAHRA
